

# OPERATION HOSPITALITY

## Mission

- 1) To welcome the presence and dignity of all people, including those with special bathroom needs, through the renovation of our Meetinghouse Bathrooms to full Americans with Disabilities Act (ADA) compliance
- 2) To feast and celebrate safely through bringing our Meetinghouse Kitchen up to current commercial kitchen code standards

## Need

- An additional \$70,000
- Total project cost ~\$130,000. Funds already saved for this project ~\$67,000

## Timeline

- Let's raise this \$70,000 by May 31! Then we can go ahead with this work this summer, around July 1 through September 30, 2019.
- Otherwise we'll wait to start the work until we have the funds in hand, which could be September 1 through November 30, 2019 (the latest possible this year due to Advent and weather concerns) or else be bumped to summer of 2020.

## Goal

- Raising \$70,000+ through 100+ givers

## How you can help

- Prayerfully consider what you can give. We'd love to see all members and regular attenders join in at the level of their ability in accomplishing this mission of hospitality!
- Pray for all the needed gifts to be received by May 31 so work can happen this summer!
- Fill out this slip and place it in the Offering Basket on Sunday, or turn it in to the Church Office, or give it to Pastor Charlotte. Or use the online giving button on [www.rebaplacechurch.org](http://www.rebaplacechurch.org) and put "Operation Hospitality" in the note area.
